

# Studying the Effects of File Migration with Empirical Research Arrangement

# Scandal forces French Finance Minister to quit

HUGH SCHOFIELD IN PARIS | WEDNESDAY 03 NOVEMBER 1999

## Why?

the MNEF, himself facing charges, had claimed Mr Strauss-Kahn's legal work had never been carried out, and that the letter commissioning him was forged and back-dated.

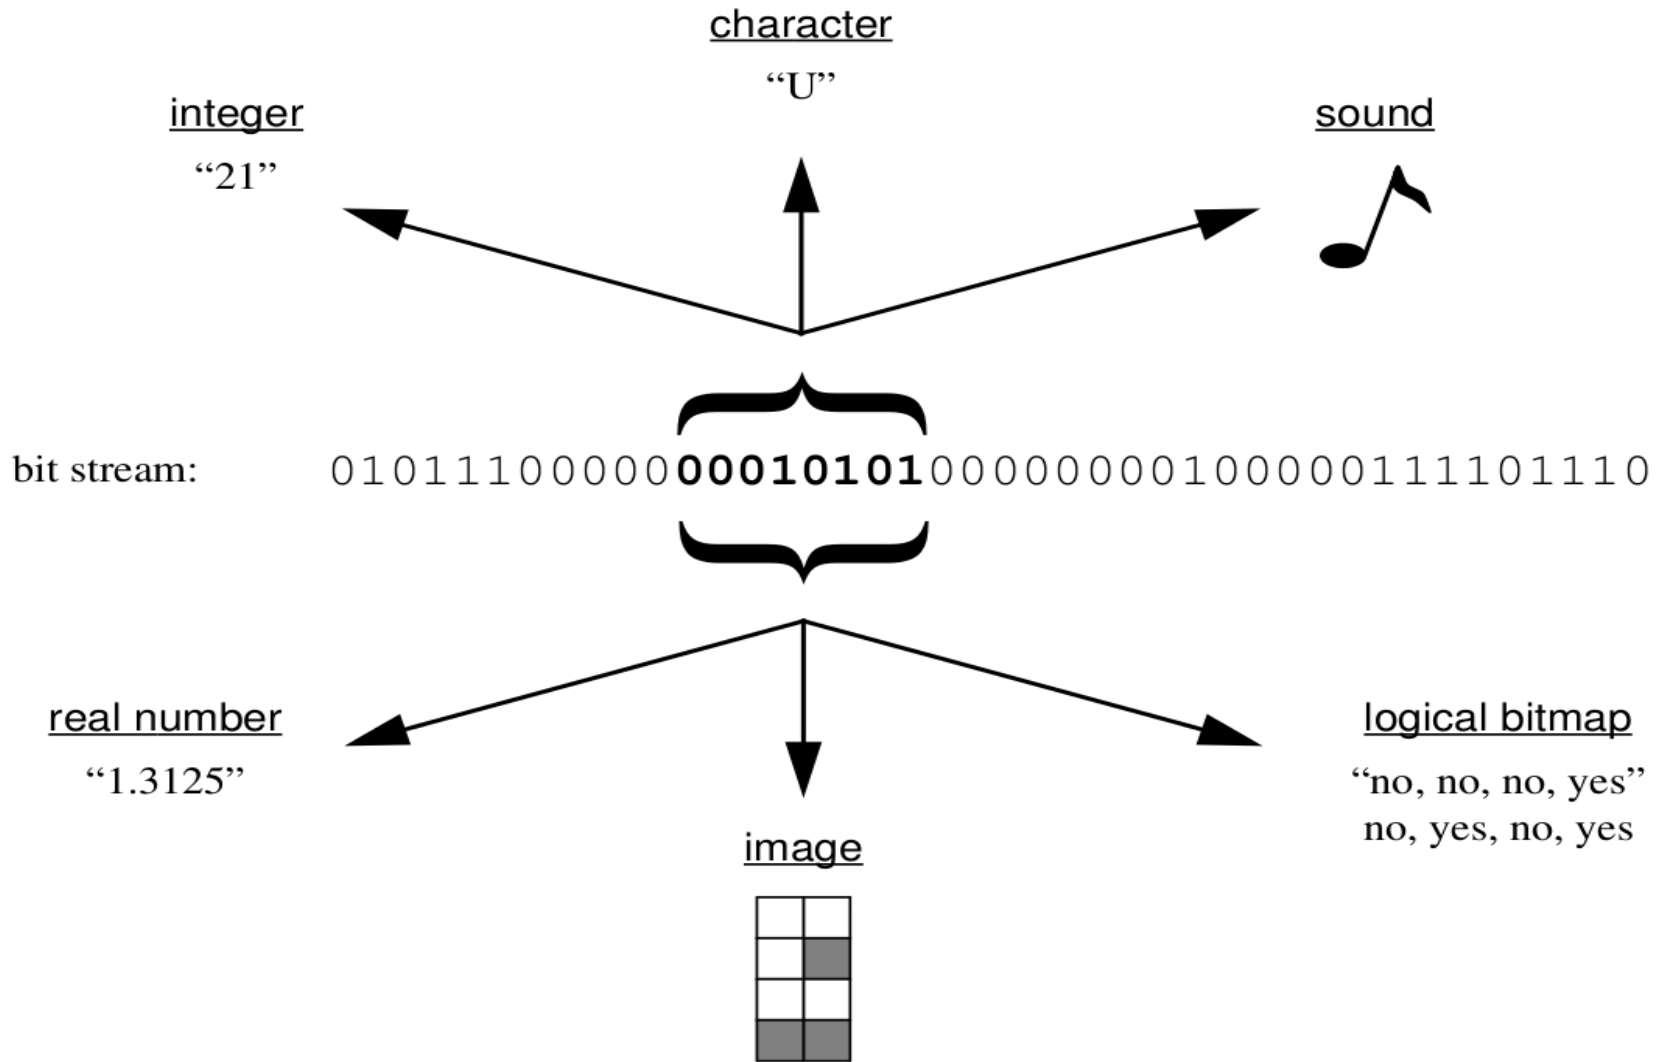

## How?

According to Liberation newspaper, police tests supported the charge, showing that the paper on which the letter was written was not commercially available in 1994, nor had the computer typescript been developed.

Look, feel and functionality are not always insignificant!

# Digital dilemma: A bit stream can represent anything at all

No matter how simple, it's essence is always based on it's executability!
